### Hope on Haven Hill's Gala Celebrates Connection and Raises \$1 Million for Treatment and Recovery Services

ROCHESTER, NH – March 25, 2025—Hope on Haven Hill's annual Hope Springs Eternal gala, with this year's theme being "Connection", was a resounding success. It brought together community leaders, advocates, and supporters to celebrate the organization's vital work in providing comprehensive perinatal recovery services. With an outpouring of generosity from our attendees, the event raised an incredible \$488,701. An additional charitable gaming contribution helped bring our total fundraising efforts to over \$500,000—unlocking a full matching gift from the Nanda Family Charitable Fund and bringing the total impact to an astounding **\$1 million** for mothers and families in recovery.

The gala honored three exceptional individuals for their unwavering commitment to the health and well-being of mothers and families in New Hampshire:

- **Tom Raffio**, for his dedication to community wellness and advocacy.
- **Jen Chinburg**, for her leadership and unwavering support of women's empowerment.
- **Valerie Sununu**, for her tireless efforts in championing family-centered support services.

"We are overwhelmed by the generosity and dedication of our community," said Kerry Norton, Executive Director of Hope on Haven Hill. "This event was more than just a fundraiser—it was a celebration of connection, resilience, and the collective impact we can make when we come together."

Funds raised will directly support Hope on Haven Hill's programs, including residential treatment, outpatient care, and wraparound services for pregnant and parenting women in recovery. The overwhelming success of the evening reaffirms the power of community-driven support in ensuring that every mother and child has the opportunity to thrive.
